

Quality Policy

The Senior Management at Energy Renaissance Pty Ltd is committed to promoting the use of a process-based approach to quality management and that decisions made within the company are considered using risk-based thinking Energy Renaissance Pty Ltd will ensure that the effective mix of resources is made available to achieve the outputs required against our customers' requirements.

Energy Renaissance Pty Ltd is committed to the identification, evaluation, reporting of non-conformances, management review and communication to all workers to ensure quality objectives are met and procedures are effective in promoting continual improvement.

Both the Board and the Executive Management team are committed to ensuring customer requirements are met, and efforts are focused on enhancing customer satisfaction while meeting Energy Renaissance Pty Ltd.'s statutory and regulatory requirements. We do this by ensuring that we understand and consistently meet the customers and regulatory requirements with regards to the products and services we deliver.

Maintaining our customer focus, our company will identify risks and opportunities associated with the conformity of our products and services against our customer and regulatory requirements. The Quality Policy is communicated throughout Energy Renaissance Pty Ltd through induction manuals, training events and by being displayed prominently throughout the site.

To achieve this vision, Energy Renaissance Pty Ltd.'s Senior Management Team commit to:

- Taking overall responsibility and accountability for the effectiveness of HSEQ Management System
- Ensuring that the HSEQ policies and related objectives are established and are compatible with the strategic direction of the organisation;
- Ensuring the integration of the HSEQ requirements into the organisations business processes;
- Ensuring that the resources needed to establish, implement, maintain and improve the HSEQ are available;
- Communicating the importance of effective quality management and of conforming to the HSEQ requirements;
- Ensuring that the HSEQ achieves its intended outcomes;
- Engaging, directing and supporting persons to contribute to the effectiveness of the HSEQ;
- Committing to and promoting continual improvement;
- Supporting other relevant management roles to demonstrate their leadership as it applies to their areas of responsibility;

We maintain and continuously improve a HSEQ Management System that complies with the requirements of ISO 9001:2015.

This Quality Policy is applicable to our directors, employees, contractors and to any person or organisation that represents us as well as suppliers in the conduct of their activities for and on our behalf.
